"Jocelyn Green brings wisdom, humor, as well as an amazing knowledge of history... Her tender heart and keen understanding of the military spouse experience along with a true desire to love and encourage those who serve on the home front made her the ideal speaker at a "5 Love Languages" event that our Leadership Spouse group hosted. Everyone truly enjoyed hearing her talk and we all walked away not only encouraged by her words but feeling like we had a new friend."

~Judy Huffman, Navy Spouse and Former Hampton Roads Continuum of Resources and Education Planning Committee Chairperson

"Jocelyn's remarks were extremely well-received and pitch-perfect in inspiring this generation of young military wives who sacrifice so much for their families and nation."

~David Boisselle, Director of Military & Veterans Affairs, Regent Univ., Virginia Beach, VA

"I felt like Jocelyn was speaking directly to my heart...saying just the right things I needed to hear. But, her message was perfectly applicable to everyone, not just military wives! She is relevant, captivating, and encouraging. She touches hearts and inspires souls!"
